The above list is also available to students on the CAPIC website.

The Post-Clearinghouse list is a public list that's available through our website.

During the Post-Clearinghouse, the CAPIC application process is not available.

During this Post-Clearinghouse process ONLY, Students and CAPIC Internship Programs can evaluate -- and match with -- each other directly.

Only Clinical Psychology Pre-doctoral Interns meet the CAPIC minimum cohort.

Please inform CAPIC in writing of any internships formed during Clearinghouse AND when all your positions are filled.

Email is fine. Thanks in advance!
