CORE FACULTY POSITION: CLINICAL PSYCHOLOGY

Union Institute & University is seeking a full-time core faculty for its Doctor of Psychology (Psy.D.) program with a concentration in clinical psychology in Brattleboro, VT. The Psy.D. program follows a practitioner-scholar model utilizing a distributed learning framework, with strong commitment to diversity and social justice. *Responsibilities include:* teaching area is open with priority given to courses in assessment, intervention, community psychology, and/or statistics; additional responsibilities include facilitating professional development seminar, student advisement, dissertation advisement, and departmental and university committees. The candidates should be proficient in the use of current computer technology and knowledgeable of distributed learning delivery models. *Requirements include:* Doctorate in clinical psychology from an APA-accredited program and APA internship, licensed or license-eligible in VT, evidence of productive scholarship, teaching experience at the graduate level, and demonstrated commitment to social justice. Submit a letter of interest, curriculum vitae, and three references to careers@myunion.edu. The position will start in January 2010 and remain open until filled.

*Union Institute & University is an Equal Opportunity Educator and Employer.
We are committed to a multicultural environment and strongly encourage applications from women, minorities, veterans and persons with disabilities.*
