Psychoanalytic Paid Post-Doc Position Available in a Medical Setting:

This position involves working in an outpatient medical setting with patients suffering from chronic pain and illness with co-occurring psychiatric disorders. Postdoctoral fellows perform individual psychotherapy, consultation, and psychiatric assessment to patients as well as consultation to medical staff. This position is based at Pain and Rehabilitative Consultants Medical Group in Oakland. This is a unique opportunity to train under Dr. Jess Ghannam, Ph.D. He is currently the Director of Medical Psychology at Pain and Rehabilitative Consultants and the Director of Psychology and Behavioral Sciences at Northern California Functional Restoration Program. He is also Clinical Professor of Psychiatry and Chief of Medical Psychology at the University of California San Francisco and formerly the Director of Psychology Training in the Department of Psychiatry at Mount Zion Hospital and Medical Center. The position is part-time and is negotiable from between 24 and 34 hours. For further details, please contact the current post-doctoral fellow. Dr Karin Vandervoort at 510 647-5101 x175.
