### EVENT

CAPIC opens online Registration for new cadre of students (2011-2012) academic year. **STILL OPEN!**  
CAPIC opens the online Application process for Match I of its internship match process.  
CAPIC opens the submissions capability process for Match I of its internship match process.  
Deadline for DCT's to submit CERF verification forms for their students.  
Match I Application Deadline for students to submit applications (via CAPIC).  
Students and Internship Programs/Tracks evaluate each other in preparation for Match I ranking.  
CAPIC reopens online application process for Match II applicants.  
Ranking process opened on vendor website (D&D Digital).  
Last day for internship programs to notify student applicants they don't intend to rank him/her for Match I.  
Match I Ranking Deadline for both internship programs and applicants (via our match vendor, D&D Digital).  
Match I Results available on D&D Digital website: <https://capic.dnndigital.com>.  
Match II submissions enabled (on [www.capic.net](http://www.capic.net)) for unmatched students to submit applications to those internship programs which still have open positions.

- As before, Student application materials must be complete before any applications may be submitted.
- Students must submit/re-submit applications to specific programs/tracks in order to be ranked for a possible match in Match II. If an Internship Program has multiple tracks, an application must be submitted (via the CAPIC website) to each interested track.

Match II Application Deadline for students to submit applications (via CAPIC).

-----

Match II Ranking Deadline for both internship programs and applicants (via D&D Digital). **NOW!**

Match II Results available on D&D Digital website: <https://capic.dnndigital.com>.

CAPIC Clearinghouse opens (on CAPIC website)

- For the first 30 days, students must submit applications to internship programs via the website.
- Internship Programs directly extend internship offers to students.

CAPIC Post-Clearinghouse opens.

- Students from CAPIC out-of-state Associate Doctoral Programs may now participate.
- Students send applications directly to internship programs. Do not submit via the CAPIC website.
- Internship Programs may directly extend internship offers to students.
